Bragg Application Prompt

In lieu of having you submit yet another essay, we are instead requesting **creative submissions centered around the celebration or manifestation of nutrition as a treatment modality**. All forms of creative expression are encouraged and accepted. As we are all naturopathic medical students and spend much of our time using the left side of our brains in school, we wanted to take this opportunity for you to show us what you can do using the right side of your brain!

Submission Ideas:

- 🌱 Videos
- 🌱 Songs (submitted via audio or video recording)
- 🌱 Creative dance (submitted via video recording)
- 🌱 Painting/drawing (submitted via photo)
